Who we are

## Hello, we're Cartmill Stewart & Co.!

---

We are a full-service accounting firm dedicated to easing the time pressures and back office burden inflicted upon small businesses. We can serve as the extended finance arm of your business, always ready to help you overcome business challenges.

Our cloud accounting firm based in Lisburn, Co. Antrim, runs a little differently from the rest.

We speak your language, care deeply about where you're going and are here to help make your life less stressful. Let us bring positive change to your business– partner with us today!

## Who we help

At Cartmill Stewart & Co., we don't focus on just a single niche.

With the depth and breadth of our financial experience, we are confident that we can deliver exceptional results for small businesses from any industry.

## How we help

### **Free up your time**

You can wave goodbye to tedious, time-consuming accounting chores with automated bank reconciliations, invoice reminders and more!

### **Make more money (and keep more in your pocket)**

We'll help you understand where you're making money and what you can do to make more of it, implement strategies to reduce tax and fix cash flow issues.

### **Streamline your systems**

No more expensive software, upgrades and backup solutions, we work with savvy cloud tools that help you save time and reduce stress.

### **Smart business decisions**

Our advisors will help you drive your business success by showing you what your numbers really mean. We'll help manage your cash flow, tax planning and growth goals. To put it simply, we care about where you're going!

## Did we mention we love Xero?

We're Xero-certified advisors which means we know how to help you get the most out of Xero.

Xero's modern cloud-based accounting platform has smart bank feeds, an easy-to-use financial dashboard, simple online invoicing and connections to 1000's of other useful apps.

You'll save time and get paid fast, giving you more time to focus on what matters most: your business.

Xero allows us to become more closely involved in your business – meaning we give you the best advice.

## Our services

We understand the pressures, time constraints, and everyday challenges you face as a business owner. Our team is here to lend our support in the following areas:

### Accounting

Make better business decisions by having a good understanding of your financial performance. We can prepare monthly or quarterly management accounts to deliver accurate and timely financial information right at your fingertips.

### Tax

Ensure full tax compliance and pay the minimum tax required by law with our effective tax planning strategies.

### Bookkeeping

Messy books? Let us manage your day-to-day bookkeeping and help you catch up to keep your books accurate and updated.

## Our services

### Budgeting

Proper budgeting ensures all your priorities will be met and can help keep your business running seamlessly like a well-oiled machine. We can help you make the most of what you have and allocate your money to the right areas of your business.

### Cash flow

Whatever type of business you have, cash is king. Keep track of money coming in and going out of your business– our team can help you manage your cash flow and maintain smooth operations.

### Payroll

Using modern payroll software, we can make this time-consuming and repetitive process much simpler. Ensure your employees get paid right and on time, every time– tap into our payroll expertise today!

### Business Planning

Failing to plan is planning to fail. By assisting you with business planning and forecasting, we can keep you prepared and help you navigate business challenges with ease and confidence.

## Meet our team

You'll enjoy working with our friendly, approachable team.

## Our partners

Xero is easy to use and easy to love! Using this smart online tool means up-to-date information for our clients so we can give you reliable advice.

With Hubdoc, you can import all your financial documents & export them into data you can use.

Dext converts annoying bits of paper like receipts and invoices into useful Xero data.

## Contact us

---

We continue to build on our enviable reputation for providing excellent advice and first class service to our business and personal clients alike.
